NOTE 4. COMMITMENTS AND CONTINGENCIES

Licensing

On November 26, 1982, the Company was granted a plenary gaming license by the New Jersey Casino Control Commission, referred to as the "CCC". The license is renewable every four years. In November 2003, the license was renewed for a period of four years, effective through November 30, 2007.

The Company is a party to various claims, legal actions and complaints arising in the ordinary course of business or asserted by way of defense or counter-claim in actions filed by the Company. Management believes that its defenses are substantial in each of these matters, and the Company's legal posture can be successfully defended or satisfactorily settled without material adverse effect on its consolidated financial position, results of operations or cash flows.

The CCC imposes an annual tax of eight percent on gross casino revenue. Pursuant to legislation adopted in 1984, casino licensees are required to invest an additional one and one-quarter percent of gross casino revenue for the purchase of bonds to be issued by the Casino Reinvestment Development Authority ("CRDA") or make other approved investments equal to that amount; in the event the investment requirement is not met, the casino licensee is subject to a tax of two and one-half percent on gross casino revenue. As mandated by the legislation, the interest rate of the CRDA bonds purchased by the licensee will be two-thirds of the average market rate for bonds available for purchase and published by a national bond index at the time of the CRDA bond issuance. The Company's reinvestment obligation for 2006 and 2005, respectively, was \$4,360,000 and \$4,858,000 for the purchase of CRDA bonds. In 2006 and 2005, the Company recorded a loss provision of \$1,305,000 and \$1,367,000 respectively. The loss provision is to recognize the effect of the below market interest rate using the interest rate in effect at September 30, 2006.

NOTE 5. RELATED PARTIES

Transactions with affiliates consist of expenditures by affiliates on the Company's behalf including purchases of assets, facility rental, and administrative expenses or cash advances to affiliates or other receivables from affiliates. The Company has many significant transactions with Aztar. Since payment is not required to be made currently, the net of these transactions is classified as long-term.

Aztar performs various corporate services for the Company. For the period ended September 30, 2006 and 2005, Aztar charged the Company a management fee of \$24,500,000 and \$24,900,000, respectively.

NOTE 6: ACCOUNTING FOR THE IMPACT OF THE OCTOBER 30, 2003 CONSTRUCTION ACCIDENT

An accident occurred on the site of the construction of the expansion on October 30, 2003. The accident resulted in a loss of life and serious injuries, as well as extensive damage to the facilities under construction.

Construction on the expansion project was substantially completed by December 31, 2004. The expansion includes 502 additional hotel rooms, 20,000 square feet of meeting space, 2,400 parking spaces, and "The Quarter at Tropicana," a 200,000-square-foot dining, entertainment and retail center.

The Company incurred construction accident related costs and expenses that may not be reimbursed by insurance of \$4,660,000 and \$2,652,000 during the nine months ended September 30, 2006 and 2005, respectively. These costs and expenses primarily consist of professional fees incurred as a result of the accident.

The Company recorded insurance recoveries due to the delay of the opening of the expansion of \$12,229,000 and \$526,000 during the nine months ended September 30, 2006 and 2005, respectively. These insurance recoveries represent a portion of the anticipated profit that the Company would have recognized had the expansion opened as originally projected as well as some reimbursement for costs incurred as a result of the delay. These insurance recoveries were classified as a component of Non-operating Income(Expense) in the Statements of Income. Insurance claims for business interruption that occurred from the date of the accident through December 31, 2005 have been filed with the Company's insurers in the amount of approximately \$52,100,000, of which \$3,500,000 has been received by the Company. In addition, the Company has filed insurance claims for lost profits and additional costs as a result of the delay in the opening of the expansion. The total of these claims is approximately \$64,700,000, of which approximately \$18,200,000 has been received by the Company and \$3,871,000 was included in the Balance Sheet as a component of Receivables and Patron's Checks at September 30, 2006.

Profit recovery from insurance is recorded when the amount of recovery, which may be different than the amount claimed, is agreed to by the insurers. The Company has also filed insurance claims of approximately \$9,000,000 for other costs it has incurred that are related to the construction accident, of which \$1,500,000 has been received by the Company. These other costs are primarily supplemental marketing costs and approximately \$1,600,000 was included in the Balance Sheet as a component of Receivables and Patron's Checks at September 30, 2006.

In order to ensure that the construction proceed expeditiously and in order to settle certain disputes, the Company and the general contractor entered into a settlement agreement on October 6, 2004 that delineates how the Company and its contractor will share the cost of and the insurance proceeds received for the dismantlement, debris removal and rebuild. The Company recorded insurance recoveries associated with the rebuild, net of direct costs to obtain the recoveries of \$4,954,000 and \$4,161,000 during the nine months ended September 30, 2006 and 2005, respectively, of which \$3,881,000 was included in the Balance Sheets as a component of Receivable and Patron's Checks at September 30, 2006. These amounts were classified as a component of Non-operating Income(Expense) in the Statements of Income. In addition, at September 30, 2006, the Company's share of claims outstanding for dismantlement, debris removal and rebuild was approximately \$24,200,000.
